**Subject: Employer's Liability Claims**

This request asked:

How many employer's liability claims did the Serious Fraud Office settle in the most recent financial year?

What was the total in-year expenditure on employer's liability claims inclusive of damages and other costs, such as claimants' legal costs and medical fees?

The number of employer liability claims settled by the SFO is nil.

Consequently, we do not hold any information under the heading of total in-year expenditure on employer liability claims.
