Our Ref: 2018-130   Date: August 2018

Subject: Specialist Staff

This request asked:

Requesting the contact information for the most suitable person to contact via telephone/email/post. If possible, could you forward me on relevant contact information for any persons specialising in;

- Information Security
- Information Technology
- Data Protection
- Information Governance

I would be very grateful if you could you state their position within the company also.

In general, the SFO publishes information about the names of only its senior staff, as set out in the annual report and its organogram which are both available on our website:

https://www.sfo.gov.uk/publications/corporate-information/annual-reports-accounts/

https://www.sfo.gov.uk/about-us/#ourpeople

In this instance Ben Denison, the SFO's Chief Technology Officer is the person responsible for IT security and the other issues you have described. Ben Denison is based at 2-4 Cockspur Street, London SW1Y 5BS. The switchboard number at Cockspur Street is 020 7239 7272. If you have any queries that you would like to direct to the SFO or to particular individuals, then you can do so by emailing:
