**Subject: Agency Information**

This request asked:

Does your organisation use agencies?

Does your organisation have a centralised temporary staff booking team?

Who is your Head of Procurement and who is your Senior Buyer/Category Manager in your organisation responsible for overseeing HR/Agency procurement? Please also provide their contact telephone DD and email addresses.

Please can you provide your total annual agency spend for 2017/18

Our Response:

I can confirm the Serious Fraud Office (SFO) does use agencies. The central booking team is the SFO's Human Resources department.

The SFO are unable to provide the Head of Procurement's name as we do not usually disclose personal data of staff that are under Senior Civil Service (SCS) level. However the SCS in charge of that business area, which includes HR and Procurement, is Liz Corrin. Please note she is yet to commence work at the SFO. She is due to start in February.

The total annual spend by the SFO was £6,398,699.
