

Our Ref: 2019-066

Date: May 2019

**Subject: Injuries at work**

This request asked:

- Please disclose the number of injuries at work to staff at headquarters reported in the calendar year 2018.
- Please provide ten examples of reported injuries during this time period. For example:  
Cut hand after slip on step.

Our response:

The Serious Fraud Office had a total of 7 recorded injuries at work to staff in the calendar year 2018.

All of these incidents fall within the following categories:

- Trip caused by lift levelling issue
  - Small abrasion to knee caused by door locking mechanism
  - Minor scalding to left or right hand caused by improper use of instant hot water system
  - Minor burn to elbow due to hot microwave
-
