

Our Ref: FOI2015-121

Date: April 2015

Subject: Outsourced IT

This request asked about suppliers providing outsourced ICT Services to the SFO.

The Serious Fraud Office currently uses two ICT companies that fall within your request which are Capita and RAVN. These supply user, infrastructure and other support services.

The renewal dates are 2019 for Capita and 2016 for RAVN.

For the 2014/15 financial year the spend with Capita was £648,316, and with RAVN was £655,934 (subject to audit).
