Date: July 2015

Subject: Official complaints

This request asked about the number of official complaints of racism, homophobia or sexism made by employees of the SFO between January 2010 and Jun 2015.

The SFO's records show that one formal complaint under the SFO's grievance policy was made for race discrimination in 2010. This led to an Employment Tribunal in 2011 which was not upheld.
