Date: February 2016

Subject: Electronic presentation of evidence

This request asked for information about the use of electronic presentation of evidence in SFO trials.

Excluding payments related to transcripts, the SFO recorded £226,000 of expenditure on the electronic presentation of evidence between April 2012 and January 2016.

This expenditure relates to 12 cases over the period. Nine cases were heard at Southwark Crown Court and one each at Oxford and Manchester Crown Courts and at the Central Criminal Court.
