

Our Ref: FOI2016-027

Date: March 2015

Subject: Film and television revenue

This request asked about money spent and received by the SFO in connection with film and television productions between 2006 and 2015.

During the requested time period, the SFO engaged with one television production. No revenue was received as a result of this engagement. A minimal amount of staff time was spent on meeting with the company concerned. This time was not separately recorded.
