

Our Ref: FOI2016-031

Date: March 2016

**Subject: Data protection**

This request asked for information about data handling practices and incidents at the SFO.

The SFO has reported one Data Protection Act breach to the Information Commissioner's Office since April 2011.

The SFO publishes information about data handling in its annual reports, in line with guidance for government departments on reporting. Annual reports can be found at:

<https://www.sfo.gov.uk/publications/corporate-information/annual-reports-accounts/>.
