Subject: Costs awarded against the SFO and SFO staffing

This request asked for information about costs awarded against the SFO and SFO staffing.

Costs

The following costs have been awarded against the SFO since 2005/06.

Prior to 2012/13, costs awarded against the SFO were not separately recorded within resource accounts, rather, they were included in the overall prosecution costs. The figures provided for these years have been retrospectively extracted from the overall prosecution costs.
