

Our Ref: FOI2016-165

Date: January 2017

Subject: SFO publications

This request asked whether the SFO publishes to following documents, and, where they can be accessed.

1. Efficiency Technical Notes Plan (ETN)
 2. Contract register in open data format
 3. Department Investment Strategy
 4. Public Service Agreement
 5. Procurement Innovation Plan
 6. Estates/FM/Property Management plan
 7. Asset Data
- A list of SFO contracts (item 2) is available online at: <https://www.gov.uk/contracts-finder>. The SFO does not separately publish this in an open data format.
 - SFO asset data (item 7) is included in the Annual Report and Accounts. The most current report (2015/16) is available at:
<https://www.sfo.gov.uk/publications/corporate-information/annual-reports-accounts/>

The SFO does not prepare, either for publication or internal use, any of the other documents. However, relevant information may be accessed as follows:

- Information about the SFO's efficiencies can be found in our annual report (see link above) under the headings 'Performance Analysis' and 'Performance Report'.
 - The Government Central Estate Strategy, by which the SFO is guided, is published by the Government Property Unit of the Cabinet Office and available at:
<https://www.gov.uk/government/publications/governments-estate-strategy-2014>.
