

Our Ref: FOI2017-059

Date: May 2017

**Subject: Turing Experts Ltd**

This request asked for the names and outcome of SFO cases where a representative of Turing Experts has testified for the SFO during the past 10 years.

During this period we hold records indicating that Turing Experts have only given evidence in connection with the Libor cases on the SFO's behalf. The outcomes of Libor prosecutions to date are already a matter of public record.
